POTHOLE REPAIR
8mins

REPAIR m²
£29.28

CUT FROM THE CAB.

From the cab, you can easily adjust the 600mm planer, with hydraulic depth and tilt control to improve safety and maximise performance.

CUT

600MM WIDE PLANER

HIGH PERFORMANCE

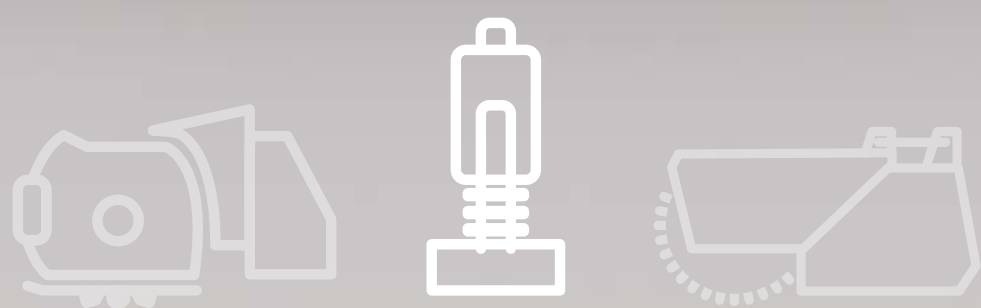

Side shifting planer works against the roadside kerb, while self-levelling provides consistency, regardless of the gradient.

CROP FOR REPAIRS THAT LAST.

Maximise the life of your pothole repair with the dedicated cropping tool, which provides a uniform hole profile that lasts.

CROP

590MM CROP TOOL

TOTAL CONTROL

The 360° tilt rotator lets you crop around obstacles such as ironworks from the operator's seat, eliminating HAVS and the need for handheld tools.

CLEAN WITH ONE MACHINE.

The 1200mm wide sweeper collector with dust suppression, enables you to prepare your pothole in a matter of minutes.

CLEAN

1200MM SWEEPER

CLEAN UP IN NO TIME

Collect and dump chippings with ease using either bucket mode or engaging the brush, reducing the time it takes to prepare the road surface for re-laying.

LOWEST COST PERMANENT REPAIR.

You can count on the JCB Pothole Pro to sort out any pothole repair or large reinstatement operations, efficiently, economically and permanently.

ECONOMICAL CHOICE

Repair highway defects permanently from as little as £29.28. This includes the cost for the JCB Pothole Pro, plus the required labour and materials!

UNCOMPROMISING **POTHOLE REPAIR.**

Designed to work safely and efficiently in congested urban areas, the Pothole Pro prepares a pothole safely, in just 8 minutes - ready for reinstatement.

UNRIVALLED SAFETY

The high seating position enables unhampered 360° visibility to all four wheels. Operate in a single lane carriageway with confidence, protecting both pedestrians and vehicles.
